SUMMER PRESCHOOL ENRICHMENT

July 15-Aug. 2, 2019

SUMMER 2019

United Way
of Adams County, Inc.

Extraordinary Explorers
Summer Preschool Enrichment is
funded by the United Way
of Adams County.

Be EXTRAordinary!

Two preschool summer enrichment sessions will be offered this year to all preschool students throughout Adams County in a joint effort to provide a unique, high-energy, hands-on EXTRAordinary summer school opportunity that will inspire preschoolers to think critically, expand vocabulary, explore their environment, encourage foundational learning skills and build a confidence and love for learning. Taught by preschool teachers throughout Adams County, our Extraordinary Explorers will gain early learning skills to prepare them to achieve success throughout their future school experiences ...

Extraordinary Explorers Summer Enrichment will inspire your learner to ask questions and discover answers in an ENGAGING and FUN way.
