Dear Friend of North Adams Community Schools,

On Saturday, August 3, 2019, North Adams Community Schools will host its 5<sup>th</sup> Annual “Strides for Students” 5k Run/Walk and 1-Mile “Fun Run” as part of the Adams County 5k Wellness Challenge circuit.

The “Strides for Students” 1-mile and 5k Run/Walk will raise vital funds for our student curricular, co-curricular and/or athletic programs. This year, the Strides for Students event will benefit students of the Health Occupations Education program and High School Girls Basketball program. The funds that each group raises are applied to sustaining valuable outreach programs throughout our community, purchasing and integrating new, upgraded equipment and materials necessary to maintaining the high quality programs that North Adams students participate in, and supporting other discretionary initiatives of the programs that our students are an active part of.

As part of our efforts to raise funds for our student programs, we are inviting the community, area families and our students and group advisors to participate in our “Strides for Students” event. In order to make this event a success, we are hoping you will see the value in supporting our efforts. We have a number of ways in which your business can support us.

### SUPPORT OUR EFFORTS!

**PROMOTE OUR EVENT** – You can help us share this opportunity to support our students by posting our “Strides for Students” registration flyer inside of your business, on your businesses website and/or or social media. Help us by spreading the word about our upcoming event so others may become involved.

**JOIN OUR EVENT** – Come out and attend! Encourage staff members, consumers, your family and friends to join us on August 3rd. Walk or run; we just invite you to come out and share in a fun, healthy event with friends of the community for a great cause!
