Lunch		12:10-1:00	
SRT		1:05-3:01	

REMINDERS FOR SEMESTER EXAMS

- a. Early dismissals may be requested ONLY FOR TIMES during which a student has supervised study or does NOT have a scheduled final. SRT IS MANDATORY. Students who are in danger of failing classes, who have outstanding work that may be made up, or who are not finished with an e2020 course MAY NOT request an early dismissal regardless of their schedule allowances. Failure to be present when one should without prior permission from the principal will result in a marking of truancy.
- b. If a student is arriving later to school (i.e., they don't have something they have to be here for), they should report to the front office at least 10 minutes before they are to show up to a class and sign in.
- c. In order for an early dismissal to be honored, the front office must receive the request no later than 8 a.m. the morning of the exam. Students will NOT be permitted to call parents to request early dismissals.
- d. Students will *not* be released early from an exam. In other words, short of an emergency, once an exam begins, the student is to remain in the room until that exam time expires. They will not be called out of exams for appointments as well.
- e. To be permitted to leave after the 5th period exam on Friday, a student must have the BHS release signed by his/her parent to present to his/her 5th period teacher upon entering SRT.
