Northwest Elementary 21<sup>st</sup> Century Community Learning Center Recognized for Exemplary Performance

The Northwest Elementary 21<sup>st</sup> Century community Learning Center Program has been recognized by the Indiana Department of Education as an exemplary program model following an external performance evaluation of the program elements. The program earned the highest rating possible for performance in four focus areas related to program quality including:

- Rigorous academic enrichment linked to regular school day curriculum
- High quality staff
- Collaborative relationships with parents and community.

North Adams Superintendent, Mr. Wylie Sirk congratulated the Northwest Staff along with their community partner, the Adams County Boys and Girls Club for their excellent rating and presented the program leadership team with a certificate of recognition for the program's outstanding performance.
