The North Adams Community School Board is holding a special meeting to receive public input on the pros and cons of both an elected school board and an appointed school board. The meeting is from 6:30-8:00 p.m. on Monday, August 24, 2009 and will be held in the North Adams Administration Building.

Any North Adams' resident wishing to speak on the Board Organization issue is asked to attend this meeting and will be asked to sign in when they arrive. Individual comments will be limited to three minutes and one time during the meeting. If necessary, an additional meeting will be scheduled to accommodate all those individuals wishing to speak. Dr. Daryl Yost, retired educator and currently Director of the Certified Technology Park in Fort Wayne, will moderate the meeting.

The North Adams School Board is expected to take all public comments under advisement for future decisions.
