Northwest joins network of No Excuses University!

No Excuses University (NEU) is a network of elementary, middle, and junior high schools across the United States. These schools actively promote a comprehensive model of college readiness to all students the moment they begin elementary school.

Northwest Elementary now joins the network of No Excuses University (NEU).

There work is based on two principles.

1. Every child has the right to be prepared to attend college.
2. It is the responsibility of adults in the school to develop exceptional systems that make that dream a reality.

In NEU announcement about Northwest Elementary, NEU said, “We’re not out to play around with college readiness, we are on a mission to change lives through our network. Which is exactly why we believe your school (Northwest) is an awesome fit!”

Becca Lamon, Northwest Principal, states that the teachers and staff see students excited about their partnership with colleges and universities.
